INTRODUCTION

Nomakanjani is a trusted leader in fire suppression and mining solutions, committed to delivering safety, reliability, and efficiency across industries.

Our expertise spans the installation of state-of-the-art fire suppression systems for both underground and vehicle applications, backed by an extensive range of firefighting products and top-quality fire extinguishers to meet diverse safety needs.

As a full-service mining supplier, we provide essential equipment such as pumps, valves, HDPE pipes, and power tools, along with a wide array of personal protective equipment (PPE), road signs, and industrial-grade paint.

Our offerings extend to electrical components, sturdy plastic furniture, and workshop essentials, including tables, chairs, and cleaning supplies.

Through robust distribution networks and strategic partnerships, Nomakanjani is dedicated to equipping businesses with the tools and support needed to operate safely and effectively in demanding environments.

YOUR SAFETY
is our priority

ABOUT US

Established in 2012, Nomakanjani (Pty) Ltd originated in Lydenburg, Mpumalanga, addressing the demand for reliable fire prevention in the mining industry across South Africa's eastern regions.

Headquartered in Lydenburg and recently expanded to Rustenburg in the Norht-West Province, we specialize in manufacturing, supplying, and installing top-tier fire-fighting products and systems.

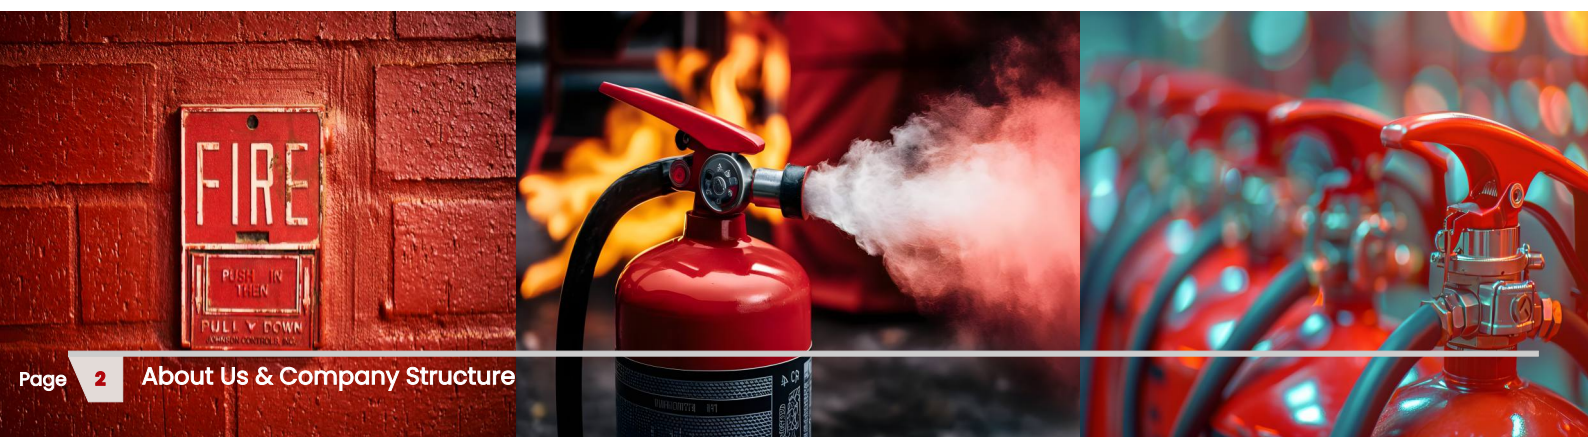

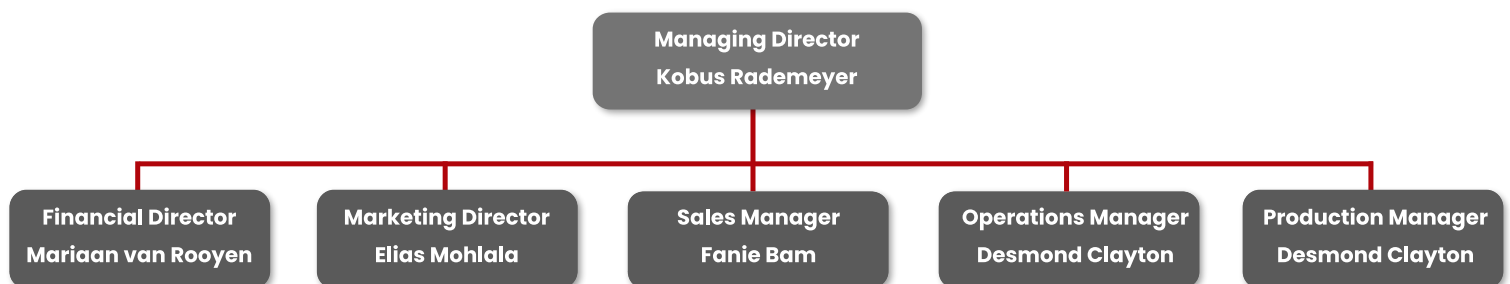

Our core strengths encompass technical expertise, reinforced by extensive after-sales services programs and customer support integrated into our contracts.

As a leading provider in fire suppression systems and firefighting products. Nomakanjani offers a diverse range of solutions, including fire suppression systems, mining equipment, electrical equipment, safety gear, plastic furniture, workshop equipment, distribution, and partnerships.

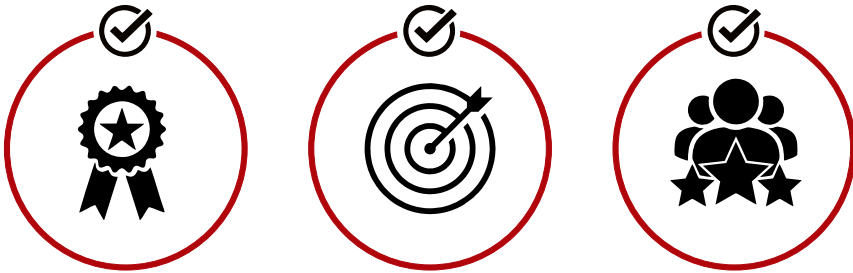

Accredited by SABS, S.A.Q.C.C, Fire, Fire Protection Association of South Africa, and FETA, we proudly hold a Level 2 BBBEE approval.

COMPANY STRUCTURE

Our well-crafted company structure serves as the backbone of and organization, supporting our day-to-day operations, facilitating our growth, and ensuring that it can navigate challenges effectively.

IT'S NOT WHAT stands in front of you it's who stands BESIDES YOU

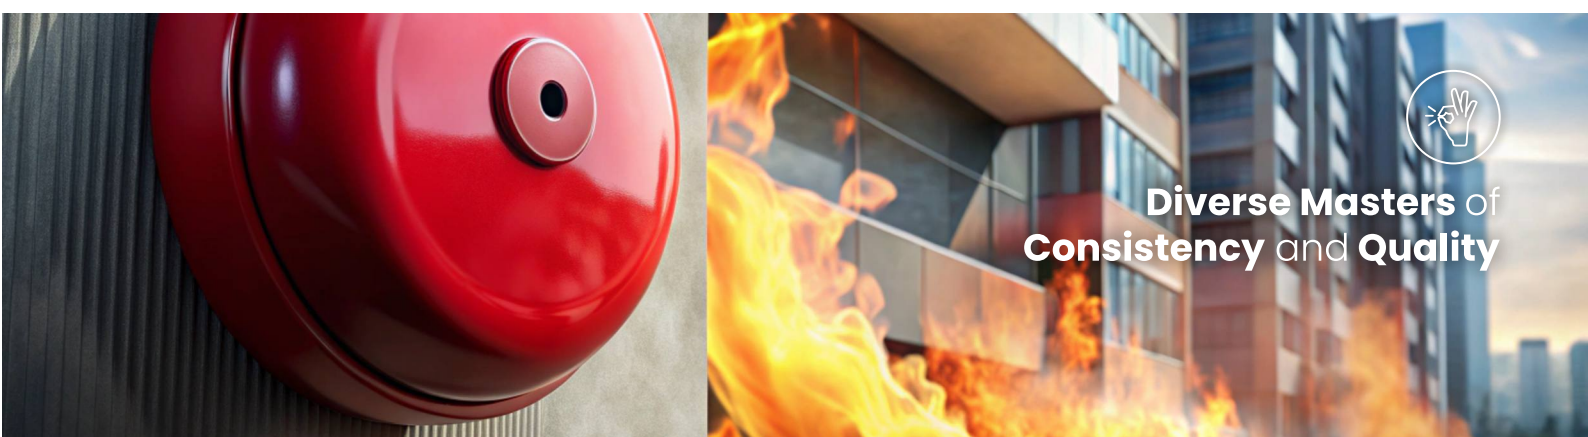

OUR VISION STATEMENT

Nomakanjani (Pty) Ltd envisions a future where we transcend the boundaries of traditional fire prevention, evolving into a multifaceted provider of solutions in South Africa.

We strive to not only be a leader in our core offerings but also to excel as the preferred choice for fire-prevention solutions and training.

Our vision extends to becoming a diverse provider across all levels, areas, and circumstances, solidifying our position as a trusted partner in safety and innovation.

OUR MISSION STATEMENT

Nomakanjani (Pty) Ltd is committed to safeguarding lives and assets through the manufacturing, supply, and installation of state-of-the-art fire fighting products and prevention systems.

We dedicate ourselves to providing comprehensive solutions, including Mining Equipment, Electrical Equipment, Safety Gear, Plastic Furniture, Workshop Equipment, Distribution, and Partnerships.

Our mission is to be at the forefront of fire prevention and safety, ensuring the well-being of our clients and communities.

OUR CORE VALUES

Nomakanjani (Pty) Ltd aims to be a prominent provider across a spectrum of solutions, encompassing Mining Equipment, Electrical Equipment, Safety Gear, Plastic Furniture, Workshop Equipment, Distribution, and Partnerships. We are dedicated to emerging as the preferred choice for fire-prevention solutions and training, striving to be a diverse provider of mining products in South Africa across all levels, areas, and circumstances.

SAFE OPERATIONS:

We prioritize safety, ensuring that every task is executed only when it can be done securely. Our commitment to safety is unwavering, and we never compromise the well-being of our team or others to achieve our goals.

INTEGRITY:

Upholding the highest standards of honesty, moral principles, and fulfilling our commitments is at the core of our values. We strive for integrity in every aspect of our business.

RESPECT:

Our interactions with clients are rooted in respect and promptness. We believe in treating every client with the consideration they deserve.

TRUST:

Building trust is fundamental to our ethos. We embed strong business ethics into every facet of our daily operations, ensuring reliability and transparency in all that we do.

COMMITMENT:

We are committed to going above and beyond, emphasizing precision, offering solutions, fostering a can-do attitude, and consistently making the extra effort to stand out in our endeavors.

LOYALTY:

Demonstrating allegiance to our suppliers and business partners.

Work Ethic: Upholding our commitments to clients with integrity and diligence.

CONTINUOUS DEVELOPMENT:

Thriving amidst challenges, fostering creativity, embracing inventions, and promoting innovation.
